Merchant Alert!

The Merchant Alert! program allows the Paris Police Department to send out real time or shortly thereafter information regarding crimes which have been reported through the use of the city CodeRED notification system. The notification will include information regarding the nature of the crime, any suspect descriptions and will be crimes that may affect other merchants in the city of Paris. Your information will remain confidential in the CodeRED notification system. The police department does not sell, lend or otherwise disclose any of your contact information. Please fill out the information below and return the completed form to the police department by hand, mail, fax (903-737-4142), or e-mail (bdeere@paristexas.gov). Please print or type the information.
