President Lyndon B Johnson signing the Civil Rights Act of 1964

Introduction

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in any program or activity receiving federal financial assistance. Several other federal legal authorities supplement Title VI by extending protections based on age, sex, and disability. In addition, the Civil Rights Restoration Act of 1987 clarified Title VI enforcement by mandating that Title VI requirements apply to *all* programs and activities of federal-aid recipients regardless of whether any particular program or activity involves federal funds. Taken together, these laws require recipients and subrecipients of federal funds to ensure all programs and services are delivered to the public without discrimination.

City of Paris, as a recipient of federal financial assistance, will ensure full compliance with Title VI of the Civil Rights Act of 1964; 49 C.F.R. Part 21 (Department of Transportation Regulations for the Implementation of Title VI of the Civil Rights Act of 1964); 49 C.F.R. Part 21; and related statutes and regulations. City of Paris acknowledges it is subject to and will comply with Federal Highway Administration Title VI Assurances.

This plan explains how City of Paris incorporates the requirements of Title VI and related legal authorities into its operations. The plan will be used as a reference for City of Paris and an informational resource for the public. The plan will be updated *every 3 years* to reflect changes in Title VI compliance operations.

Discrimination under Title VI

It is the responsibility of every City of Paris employee to prevent, minimize, and eradicate any form of discrimination. There are two types of discrimination prohibited under Title VI and its related statutes: (1) disparate treatment that alleges similarly situated persons are treated differently because of their race, color, or national origin (*i.e.*, intentional discrimination); and (2) disparate impact/effects when a facially neutral policy, procedure, or practice results in different or inferior services or benefits to members of a protected group. The focus of disparate impact is on the consequences of a decision, policy, or practice rather than the intent.

Prohibited forms of discrimination may include, but not be limited to, the following:

- The denial of services, financial aid, or other benefits provided under a program;
- Distinctions in the quality, quantity, or manner in which a benefit is provided;
- Segregation or separation of persons in any part of the program;
- Restriction in the enjoyment of any advantages, privileges, or other benefits provided to others;
- Differing standards or requirements for participation;
- Methods of administration that directly or indirectly, or through contractual relationships would defeat or impair the accomplishment of effective nondiscrimination; or
- Discrimination in any activities or services related to a highway, infrastructure or facility built or repaired in whole or in part with federal funds.

City of Paris efforts to prevent such discrimination must address, but not be limited to, how a program or activity:

- Impacts the public;
- Provides accessibility;
- Provides equal access to benefits;
- Encourages participation;
- Provides services equitably;

- Initiates contracting and training opportunities;
- Investigates complaints;
- Allocates funding; and
- Prioritizes projects.

Authorities

The authorities applicable to City of Paris Title VI/Nondiscrimination Program include:

- **Title VI of the Civil Rights Act of 1964** (42 U.S.C. §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- **49 CFR Part 21** (entitled *Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964*);
- **23 CFR Part 200** (FHWA's Title VI/Nondiscrimination Regulation);
- **28 CFR Part 50.3** (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964); and,
- **Texas Administrative Code** §9.4, Civil Rights – Title VI Compliance

Title VI Policy Statement

It is the policy of City of Paris that no person shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any operation of City of Paris as provided by Title VI of the Civil Rights Act of 1964 and related statutes.

This policy applies to all operations of City of Paris, including its contractors and anyone who acts on behalf of City of Paris. This policy also applies to the operations of any department or agency to which City of Paris extends federal financial assistance. Federal financial assistance includes grants, training, use of equipment, donations of surplus property, and other assistance.

The nondiscrimination statement signed by City of Paris, Rose Beverly, is included as **Attachment 1**.

Standard DOT Assurances

The U.S. DOT requires that federal financial assistance be provided on the condition that the recipient provides an assurance that its programs and activities will be conducted in compliance with Title VI of the Civil Rights

Act of 1964. The requirement is located at 49 CFR 21.7(a). To support the implementation of this requirement, the U.S. DOT provided an assurances agreement in U.S. DOT Order 1050.2A that federal fund recipients and subrecipients must sign as a condition of receiving federal financial assistance.

The assurances agreement provides specific non-discrimination language, City of Paris, is required to include in bid solicitations or requests for proposal, contracts, and real estate agreements. City of Paris is committed to ensuring the necessary language is used as prescribed in the assurances agreement.

In accordance with this requirement, City of Paris has signed the U.S. DOT Standard Title VI/NonDiscrimination Assurances. The document is attached as **Attachment 3**.

Organization and Staffing

TxDOT OCR will forward the complaint to the FHWA Texas Division Office, along with a preliminary processing recommendation. The FHWA Texas Division Office will forward the complaint to FHWA Headquarters Office of Civil Rights (HCR).

FHWA HCR is responsible for all determinations regarding whether to accept, dismiss, or transfer Title VI complaints. There are four potential outcomes for processing complaints:

- **Accept:** if a complaint is timely filed, contains sufficient information to support a claim under Title VI, and concerns matters under the FHWA's jurisdiction, then HCR will send to the complainant, the respondent agency, and the FHWA Texas Division Office a written notice that it has accepted the complaint for investigation.
- **Preliminary review:** if it is unclear whether the complaint allegations are sufficient to support a claim under Title VI, then HCR may (1) dismiss it or (2) engage in a preliminary review to acquire additional information from the complainant and/or respondent before deciding whether to accept, dismiss, or refer the complaint.
- **Procedural Dismissal:** if a complaint is not timely filed, is not in writing and signed, or features other procedural/practical defects, then HCR will send the complainant, respondent, and FHWA Texas Division Office a written notice that it is dismissing the complaint.
- **Referral\Dismissal:** if the complaint is procedurally sufficient but FHWA (1) lacks jurisdiction over the subject matter or (2) lacks jurisdiction over the respondent entity, then

HCR will either dismiss the complaint or refer it to another agency that does have jurisdiction. If HCR dismisses the complaint, it will send the complainant, respondent, and FHWA Division Office a copy of the written dismissal notice. For referrals, FHWA will send a written referral notice with a copy

of the complaint to the proper Federal agency and a copy to the USDOT Departmental Office of Civil Rights.

Complaints are not investigated by City of Paris. FHWA HCR is responsible for investigating all complaints. FHWA HCR may also delegate the investigation to TxDOT OCR, who would then conduct all data requests, interviews, and analysis and create a Report of Investigation (ROI). TxDOT OCR will have sixty (60) business days from the date the investigation is delegated to prepare the ROI and send it to HCR. HCR will review the ROI and compose a Letter of Finding based on the ROI.

For further information about the FHWA investigation process and potential complaint outcomes, please visit the [Questions and Answers for Complaints Alleging Violations of Title VI of the Civil Rights Act of 1964](#).

City of Paris maintains a complaint log to document all activity related to the complaint. Information captured includes:

- Complainant's name, and if provided, race, color, and national origin;
- Respondent's name;
- Basis(es) of the discrimination complaint;
- Allegation(s)/Issue(s) surrounding the discrimination complaint;
- Date the discrimination complaint was filed;
- Date the investigation was complete;
- Disposition;
- Disposition date; and
- Other pertinent information.

Notice of Rights

In accordance with 23 CFR 200.9(a)(12), City of Paris is required to develop Title VI information for dissemination to the general public and, where appropriate, in languages other than English. Notice of City of Paris Title VI policies and procedures are listed in many places such as the office lobby and online.

Notification to Beneficiaries

City of Paris website is continuously updated to ensure Title VI information is readily accessible to the public. The website informs the public of their rights under Title VI and provides information on how to file a complaint. Title VI information available on City of Paris Web site includes: [Civil Rights Title VI Program | Paris](#)

- Title VI Nondiscrimination Assurances

Public Involvement

It is the goal of City of Paris to provide continuous, effective and transparent access to all stakeholders. City of Paris strives to inform all stakeholders about proposed plans and projects and seeks input when appropriate. City of Paris utilizes the following methods to communicate information regarding upcoming activities and opportunities for public and stakeholder participation in the planning process:

- Media Releases
- Notices published in the Texas Register
- Local community public meetings
- Agency name website
- Social Media

Traditionally underserved communities can find it more difficult to engage with decision making entities due to scheduling conflicts, lack of transportation to public involvement events, language barriers, lack of childcare, etc. Genuine public involvement takes place at all levels and so City of Paris aims to identify communities that may be affected by a project in order to plan appropriately and effectively for the potentially impacted groups. Sources of data used were listed above in the Data Gathering section. City of Paris specifically uses the following sources to identify minority and populations with limited English proficiency.

- US CENSUS TABLE P9 – HISPANIC OR LATINO AND NOT HISPANIC OR LATINO BY RACE
- ACS TABLE B16001 – LANGUAGE SPOKEN AT HOME BY ABILITY TO SPEAK ENGLISH FOR THE POPULATION 5 YEARS AND OVER

City of Paris will use the following techniques to ensure that all members of the community have the opportunity to participate in the decision-making process:

- HOLDING MEETINGS AT DIFFERENT TIMES OR ON THE WEEKEND
- HOLDING MEETINGS AT LOCATIONS IN NEIGHBORHOOD LIKE SCHOOLS OR PARKS
- PROVIDING VIRTUAL OPTIONS
- HOLDING EVENTS ACCESSIBLE BY PUBLIC TRANSPORTATION

Language Assistance and Limited English Proficiency

Individuals with Limited English Proficiency (LEP) are those who do not speak English as their primary language and have a limited ability to read, write, speak, or understand English as a result of their national origin. Under Title VI, these individuals may be entitled to language assistance with respect to a particular type of service, benefit, or encounter.

Per USDOT LEP guidance, as outlined on FHWA's Civil Rights website, recipients of federal funds are required to take reasonable steps to ensure meaningful access to their programs and activities by LEP persons. While designed to be a flexible and fact-dependent standard, the starting point is an individualized assessment that balances the following four factors.

1. **Number or proportion of LEP persons eligible to be served or likely to be encountered by the program:**
2. **Frequency with which LEP individuals come in contact with the program:**
3. **Nature and importance of the program, activity, or service provided by the program to people's lives:**
4. **Resources available to the grantee/recipient or agency, and costs:**

The City examined the 2023 American Community Survey (ACS) from the U.S. Census Bureau and determined that the population is estimated at 23,078. Of the population aged five and older, fewer than 2% speak Spanish as their primary language and speak English less than very well.

Due to the limited number of LEP encounters, a tracking system is not being implemented at this time.

The City recognizes the importance of public input in shaping projects and policies. We will assess the demographics of our community to help ensure that all stakeholders, including underserved and hard-to-reach populations, have the opportunity to be informed and engaged.

TxDOT provides both internal and external resources to support translation and interpretation services. The City also relies on bilingual staff to assist with translation and interpretation when needed. While we do not currently have a contract with a local language service provider, we are exploring options to expand our language access resources.

Training

City of Paris will ensure that its staff understand Title VI of the Civil Rights Act of 1964 and how it may apply to their work. The following options are available for providing training:

- Review of the City of Paris Title VI Plan

- Attendance at any available Title VI trainings provided by the Texas Department of Transportation, U.S. Department of Transportation or its applicable operating administrations, or the U.S. Department of Justice.
- Viewing the video [Understanding and Abiding by Title VI of the Civil Rights Act of 1964](#) produced by the U.S. Department of Justice

City of Paris will maintain records indicating that staff have received sufficient training on a periodic basis.

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to non-discrimination in Federally-assisted programs of the U.S. Department of Transportation, the FHWA, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.
4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or FHWA to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of

another who fails or refuses to furnish the information, the contractor will so certify to the Recipient or FHWA, as appropriate, and will set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of a contractor's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or FHWA may determine to be appropriate, including, but not limited to:
 - a. withholding payments to the contractor under the contract until the contractor complies, and/or

6. Incorporation of Provisions: The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the Recipient or FHWA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

Statutory/Regulatory Authorities

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 C.F.R. Part 21 (entitled Non-discrimination in Federally Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964);
- 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964);

The preceding statutory and regulatory cites hereinafter are referred to as the "Acts" and "Regulations," respectively.

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

"No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity," for which the Recipient receives Federal financial assistance from U.S. DOT, including the Federal Highway Administration.

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Nondiscrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally assisted.

Specific Assurances

More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its Federally-assisted U.S. DOT programs:

1. The Recipient agrees that each "activity," facility," or "program," as defined in §§ 21.23(b) and 21.23(e) or 49 C.P.R § 21 will be (with regard to an "activity") facilitated, or will be (with regard to a "facility") operated, or will be (with regard to a "program") conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.
2. The Recipient will insert the following notification in all solicitations for bids, Requests for Proposals for work, or material subject to the Acts and the Regulations made in connection with all DOT Programs and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

"The Recipient, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."

3. The Recipient will insert the clauses of Appendix A and Appendix E of this Assurance in every contract or agreement subject to the Acts and the Regulations.
4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.
5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.
6. That where the recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.
7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods.
 - a. the period during which the property is used for a purpose for which the Federal financial

assistance is extended, or for another purpose involving the provision of similar services or benefits; or

b. the period during which the Recipient retains ownership or possession of the property.

9. The Recipient will provide for such methods of administration for the programs as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this assurance, the Recipient also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the U.S. DOT access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by the U.S. DOT. You must keep records, reports, and submit the material for review upon request to U.S. DOT, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The Recipient gives this assurance in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal aid and Federal financial assistance extended after the date hereof to the recipients by the U.S. DOT under all

Department of Transportation Programs. This assurance is binding on Texas, other recipients, subrecipients, sub-grantees, contractors, subcontractors and their subcontractors, transferees, successors in interest, and any other participants in all Department of Transportation programs. The person(s) signing below is/are authorized to sign this assurance on behalf of the Recipient.
