Happy Summer Library Supporters! Since our last newsletter, we hosted our used Art and Book Sale and Art Silent Auction. We had a fun member's night, and a good 2 days, creating a temporary book store on the square. We raised about \$1,800 in book sales, donations, and art auction funds, and appreciate everyone who made donations and shopped.

Thank you especially to local artists Lena Spencer, Lynda Dunham-Watkins, Deborah Scott Lightfoot, Andrea Doss, Dr. Craig Stephens, and Mary Golden Musick for donating art to the silent auction! The auction brought in \$300 of the \$1800 from the sale, and added beautiful decor to the sale.

Thanks to all of the generous donations and memberships, the Jerry Bywaters Chisum panel has been restored, and is waiting to be picked up and will be home at the library later this month. The third panel

will be on its way to restoration soon.

Our *Arts and Letters* (multi-year theme highlighting not only the written art we have in our library, but also the visual, theatric, and musical arts that Paris offers) event this summer is a Calligraphy workshop with Dr. Don Wikoff. See page 2 for registration and join us if you can. We are limited to 24 students due to the hands-on nature of the class.

The Childrens Room will continue busy summer programming with performers sponsored by Friends of the Library. Thank you for your membership that funds these important programs!

The donated art displayed at the book sale in February.

We appreciate our Benefactor and Corporate Members!
