

# Miss Humblebees ACADEMY

## Online Preschool Learning Made Fun!

Help prepare your preschooler for kindergarten and beyond—with a smile—by introducing key concepts in:

- Math
- Science and social studies
- Language and literacy
- Art
- Music

## Miss Humblebee – a friend to children AND parents

Miss Humblebee's Academy is the only online solution that helps children learn while having fun AND provides parents with tools to measure their child's progress:

- Helps children ages 3 to 6 get ready for kindergarten
- Includes hundreds of guided lessons with sound cues
- Assesses skill levels regularly
- Provides parents weekly notification of curriculum progress
- Lets children create their own avatar. They also can earn Honeycomb coins by finishing lessons to spend in the virtual Honeycomb Shop

And with a combination of online and offline learning opportunities, kids can play and learn anywhere.

- Access at the library or at home on a computer
- Play and learn on mobile devices (iPads and tablets)
- 20% of the curriculum available as printables and practice worksheets, giving children practice using writing tools
